

FOR IMMEDIATE RELEASE

Arts Guild of Sonoma Presents Exciting 8 x 8 Art Show Fundraiser

Sonoma, CA - May 15, 2024 - The Arts Guild of Sonoma is proud to announce its upcoming 8 x 8 Art Show, a fundraising event benefiting one of the region's longest-running arts collectives. This highly anticipated exhibition will take place from May 29th to June 24th, 2024, with a lively public reception scheduled for June 6 from 5:00 PM to 7:00 PM coinciding with First Thursday Artwalk.

For nearly five decades, the Arts Guild of Sonoma has been a cornerstone of the local arts community, providing support and opportunities for artists to showcase their work. This year, the guild is reviving its beloved 8 x 8 Art Show, offering patrons the chance to acquire stunning pieces of art while contributing to the sustainability of this non-profit organization.

Each artwork in the 8 x 8 Art Show will be available for purchase at \$150, making it an accessible opportunity for art enthusiasts to own original pieces from esteemed artists. With the show's popularity expected to soar, attendees are encouraged to secure their favorite pieces early, as they are anticipated to sell out quickly.

The 8 x 8 format of the show presents a unique challenge for participating artists, pushing them to explore new techniques and styles beyond the confines of traditional 2D or 3D art. This innovation promises an engaging and diverse collection for visitors to enjoy.

The artworks, displayed on 8 x 8 birch wood cradled panels, offer a canvas for artists to express their creativity in various forms. While some pieces will be flat, others may feature unique embellishments, adding depth and dimension to the collection.

"We're thrilled to bring back the 8 x 8 Art Show as a fundraiser for our longstanding organization," said Tricia O'Brien, special events manager of the Arts Guild of Sonoma. "This event not only supports our mission of promoting the arts but also provides a platform for artists to showcase their talent in a distinctive format. We invite the community to join us in celebrating creativity and supporting local artists."

Don't miss the opportunity to experience the Arts Guild of Sonoma's 8 x 8 Art Show, where creativity knows no bounds. Mark your calendars for the reception on June 6 reception and explore the captivating world of art in the heart of Sonoma.
